**Prompt Renewal ...** If you wait until the last minute to renew your subscription, or sign up for The Modern Square (including at a Subscription Dance very close to the 10th of the month preceding the month of issue), you may MISS one or more issues, and may NOT be able to get a copy of the missed issues, even if you had material published in it.

**Remember ...** If you do not contact the Circulation Manager when you have a delivery issue, then there is no way for him to rectify it. The problem may be in the database record or with the Postal Service. Both can be fixed.

**Note ...** The ONLY time that a dancer should contact the Circulation Manager regarding someone else's subscription, is in the event of that person's death, so that the subscription can be cancelled.

# *President's Message*

Hello once again Square Dance Friends!

Angela and I are delighted to report that the Secretary and Treasure Positions for the Executive Board of the ASSDF have both been filled. The new Secretary's will be Roger and Sheena Garner, and the new Treasurers will be Donnie and Jennifer Pogue. What an asset both of these couples will be. We are overjoyed to have their experience, knowledge, and enthusiasm!! Please thank them for their commitment to help make the ASSDF even better than it already is. Combine that with the awesome board members already in place, and what you get is a phenomenal group of people who have a true love and passion for Square Dance. We are so excited about where this group of people is going to take Square Dancing's Future!!

Spring has sprung, and with that comes several good dances. One being the TNT Dance (Towry, and Tyl), we are looking forward to this huge dance on April 29<sup>th</sup>, 2016 at the Mabelvale Hut. We are all big fans of Dave Towry, and Tim Tyl, so I am sure it is going to be a blast!!

While we are at it, mark your calendars for the **Spring Delegates Meeting** It will be held **in Conway on the 7<sup>th</sup> of May at 3pm**. Come represent your club and then enjoy dancing at the Lilly Pad Dance with Phil Moorehouse calling and Cathy Fisher cueing.

Special note to clubs, in the last board meeting we found out that there are clubs out there who may be uninsured. Please check with Ann Grigsby to see if your club may be one of those. We want to make sure everyone is covered! In another note, Royce & Cathy Beesley (Historians) are asking for pictures from the clubs to help preserve our dancing heritage. Please help them out by sharing with them.

We are still waiting on our time to shine on Channel 7, we will keep you posted!! Until then please feel free to call myself or Angela with any cares and concerns!!

Hope to see you in our Square Soon☺ *Scott & Angela Blackshear*

## **ASSDF DELEGATE MEETING**

**May 7<sup>th</sup> 2016**

**3pm**

**Salem United Methodist Church, 1018 Salem Rd., Conway**

# **FROM THE** **EDITOR**

I have often discussed in this column the need for **YOU** to be active and participate in your Square Dance Community. Not just by dancing (that is the easy and enjoyable part) but by taking an active role in the operation of **YOUR** club and the ASSDF.

Some of you have been active in the past. Some of you continue to play an active role. Others of you are new to the role. In any case to all of you ... the presidents, vice presidents, secretaries, treasurers, and **LEADERS** in our dance community

**THANK YOU!**

We could not do what we do without you.

**TO THE REST OF YOU ...**

You have an opportunity to be active. It does not involve a lot of work. It doesn't require much effort. It doesn't even require much of your time! AND ... you have the chance to dance afterwards. What am I talking about? The ...

**ASSDF Delegates Meeting**  
**May 7<sup>th</sup> 3pm in Conway**

There is much that needs to be discussed and acted upon. **YOUR** thoughts and ideas **are** needed. Among the topics that are sure to be brought up are:

- Bylaws. They are being reviewed and rewritten
- Fall Festival planning
- How to attract new students

Make plans now to represent your club at the meeting. Then make a day out of it and reward yourself by dancing to Phil Moorehouse at the Lilly Pad Dance (see ad page 22).

**You are needed!**

**Please be an active dancer!**

## *Education* & *Publicity*

One essential need of our square dance community is the constant selling of our activity. Promotion should not be limited to the one or two weeks prior to a new dance program (typically in the fall). Often promotion seems to fall on the shoulders of perhaps two or three of the more enthusiastic dancers. The problem is that they have hounded their friends and neighbors to the point of being a nuisance. Here is a good case for the new dancers to be tapped as recruiters. The new dancers are energetic and enthusiastic. They are not burned out and they are exposed to a different community or population that has not been exploited.

Materials and methods for new and old recruiters....

- **Websites** LiveLivelySquareDance.com - You2candance - USDA.org - arts-dance.com - (hopefully) your own club website. \* Let the web sites do the selling for you.\*
- **Business cards** are inexpensive, easy to create and carry around. Each club member should have a handful and be in the habit of exchange them at every checkout counter – restaurant, grocery store, hardware store, sport shop etc. \*Talk about exposure!\*
- **Document** How did your new members find out about square dancing? What recruiting tool(s) are working for you?
- **One on one communication** \*the ever popular word of mouth.\*

There are different tools available that may be just as or more effective.

In his seminars, Tim Marriner listed these marketing methods....

CD's or tapes

Referrals

Flyers

Special demonstrations or events

Advertisements in publications

Festivals and Conventions

PowerPoint on laptops

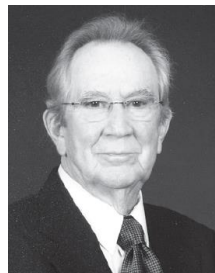

Newsletters

And the list can go on and on. Each of these methods can be expanded.

**He goes on to say that each member should have a duty and a goal when it comes to recruitment.**

## Thoughts & Musings

This will be a continuation of a series of articles that resulted from my end of year reflections regarding, what our square dance activity is all about, and, what we might do to catch a wave of attention that could kick start our activity into frenzy of growth similar to that experienced at the end of World War II. Some of my thoughts . . .

### MUSIC & MP3

Today we live in a largely paperless society as a result of modern digital, electrical and mechanical technologies. Every aspect of our lives is co-mingled with those technologies. YES. Even our dance activity has not been immune to the digital pressures. **MUSIC**, the most important factor that drives our dance activity, was one of the first things that changed the way we perceive our digital society. That came as a result of commercial interests making music and motion pictures available to the average person on the street.

A compressed format, not the original digital space hogging high fidelity design which made data storage tortoise-slow and gobbled up storage capacities, was developed. We know this compressed format for music today as **MP3**. It transformed digital download speeds and storage considerations by a factor of 10:1. That kind of technology made it practical and relatively inexpensive for commercial interests to reap tremendous profits based on the ease and frequency of sale to the average music fan.

By 1995 the interest in digital music had spread to the internet. In the beginning bitter legal fights between several related entities ensued (remember Napster). As commercial interests jockeyed to gain superiority in the market place, music piracy, copyright infringement and file-sharing cases were all a part of the battle that continues on a lesser scale today.

How does MP3 audio compression work?

I spent a couple days trying to think of some way to describe the

process and then I saw it. It was right there before me all the time . . . a book shelf.

Let's set the scene. Assume we have a book shelf ten feet long. That's 120 inches. Let's further assume that it is filled with 120 one inch thick books and that each book weighs about 1 pound. Let's further assume that the subject of each book is square dancing and that some of the books present a more complete picture than others. Some present history. Some present various concepts. Some contain choreography. Some discuss dancer skills. Some deal with caller skills. All told, the 120 books tell the entire story of square dance complete with all the nuances involved.

Now let's begin at the left end moving to the right. Let's mark an "X" on every tenth book. We will now have marked 12 books. Now remove from the shelf 4 books on the left side and 5 books on the right side of the marked books. That's  $12 \times (4+5)$  or 108 books removed. That leaves only twelve books left standing on the shelf. Ninety percent (90% of 120 is 108) of the books are gone! Now push all of them together and they take up 12 inches of space and weigh 12 pounds instead of 120 pounds. That makes a small and light package and certainly easier to ship than a very large package weighing 120 pounds.

That's essentially what the MP3 process is all about. Ninety percent of the total audio frequencies in a selected audio piece of music are removed. This is accomplished by an orderly method know as an algorithm or a series of algorithms. The use of algorithms in MP3 creation is used to target, cancel, filter out, null out, or mask frequencies in the audio spectrum that (scientists or experts contend) can be deleted with little change in the resulting audio sound as perceived by the human ear.

Its actual use in square dance environment is probably not a problem when we consider the ambient noise in a square dance hall. {Editor's Note: It is also not a problem when one considers the callers misuse of the bass/treble controls and the overdriving of the music and their voice. Good sound has seldom been a part of square dancing.} Additionally, all the inner ear cilia damaged by loud music that kids or adults have subjected their ears to will also make listening to MP3 music a moot point anyway. Consider this look into MP3 music as information rather than a criticism.

## **SOCIAL MEDIA!**

What are we going to do about the cyberspace billboard that boasts over 1.3 BILLION users on Facebook alone? We in the United States

rank eleventh in the world in the use of social media. Seventy-three percent of Americans use social media every day. The current population of the United States is 323 million. Anyway we look at the picture - it is enormous. **Any ideas out there?**

One a practical basis . . . I have found that when people are invited to respond to an opportunity through social media to become members of a civic club, church or a historical society . . . not one responded. NOT ONE! I do remember one instance several years ago when one national politician raised an enormous amount of money via social media. Others have had success. What are we missing?

## **OUR SQUARE DANCE ACTIVITY**

By the middle 1980's leaders within the dance community were beginning to see, that cracks in the wall of our activity were about to break wide open and drown us in problems of our own making. Visionaries, such as Bob Osgood (publisher and editor of *Sets In Order*) and Stan Burdick (publisher and editor of *American Square Dance*) made valiant attempts to turn the movement around. At the same time a couple of professional organizations came into being (Callerlab in 1974 and American Callers Association in 1992) that began taking steps to refine and stabilize the square dance growth phenomenon that was running amok. By 1985 the numbers of dancers and clubs was beginning to decline despite efforts at revitalization. By 1995 the bubble had burst and we were at the bottom of a cycle.

Folks, we have languished there for twenty long years. Feeble attempts to rock our activity off dead center have failed.

Someone . . . some leader . . . some dancer . . . will have an idea that can, AND WILL, usher in the new "Camelot" of square dance. It could come from Arkansas.

Dance often and with style!

O My Gosh!!!! I almost panicked this morning while reading the newspaper headlines. "PUNXSUTAWNEY PHIL FOUND DEAD"!!!! They actually had a picture of him lying in state. Ugh! I should've known. Reading along I realized that this is the column by OTUS THE HEAD CAT. Boy, you can't believe anything that you read anymore. Last year *they* saw 2 P. Phils . . . remember???

I have to apologize for missing last month's issue. Mike and I were down in Mission Texas dancing, dancing, dancing. Our Heber Springer friends Wilma and Jim Sanders put us on to the haps down in Southern Texas. If you like to dance, and we're talking A LOT, you need to spend a time down there. Great callers (Jerry Story is one and will be calling for the Heber Springers April 5<sup>th</sup>), great round dance cuers (if you're inclined), even polka and swing (if that's your bent). I'm not even going to mention all the other activities AND nice people to do them with (square dancers galore – average dance 25, I say 25 squares!!!!) When was the last time you saw that, except at a big event dance?

We're happy to be back home now and dancing with our buds again. Got lots of hugs our first night back . . . I love square dancers! Looks like our next dance will be our anniversary dance on the 9<sup>th</sup> of this month. Club members; please wear blue and white so we can have an updated club photo taken. Don't forget to come celebrate with us!!!!

And speaking of celebrations . . . I'm going to have to back-track to our March birthday people first, . . . so the next time you see them, wish Jim Murphree (7<sup>th</sup>), Royce Beesley (22<sup>nd</sup>) and April Lockhart (30<sup>th</sup>) the best yet and more to come!!! Our April birthday celebrants include our amazing caller Phillip Moorehouse (12<sup>th</sup>) and his lovely wife, Melody (23<sup>rd</sup>). Wish them the same with hugs to boot! It looks like the Moorehouses are celebrating with a long awaited trip to Alaska so we're changing our Hawaiian dance date to June 11<sup>th</sup>.

Keep Paul Williams, Eulas Abbott, Jolynn Wilson, and Cathy & Royce Beesley in your prayers. All have been under the weather lately.

Hope to see you in a square soon!!!

## CONWAY ROUNDERS

Conway

May 7<sup>th</sup> is a special day for the Conway Rounders. We will be holding our first annual

At 7:00 we want to invite all of our **SQUARE DANCE Friends** to enjoy the calling of Phil Moorehouse. No one who has danced to his energetic fun calling has ever been disappointed. He is sure to come up with something new to keep your square moving and excited! Our own Cathy Fisher will be cueing Pre-Rounds starting at 6:00 and also between tips. Food? What dance would be complete without refreshments?

Join us for a night of great dancing! That is what it is all about!

For **Round Dancers** and those who would like to learn, we will be holding a RUMBA CLINIC starting at 12:30. It will be geared to the beginner and will concentrate on Latin dance techniques and basic Rumba moves. Dancers new to Rumba will learn enough moves to dance a cued dance or two. Experienced dancers can look forward to improving their Latin form and Rumba moves.

We are looking forward to see all of you at our dance! Remember . . .

**There are shortcuts to happiness, and dancing is one of them.**

April is almost upon us and what a great year it has been so far. We have had wonderful monthly dances with energetic callers and great cueing.

We are really looking forward to our April dances with our Luau on April 8th with Nelda Eaton calling and Martin Philyaw cueing. Come in your grass skirts and enjoy the night with us! On April 22nd Nelda will be calling and Cathy Fisher cueing. Now that should be another great night of dancing!

We have been having many visitors even losing a banner or two but enjoying their company very much. Thanks for supporting us and square and round dancing.

In April we celebrate Jon Eaton's birthday on the 5th and my birthday on the 11th. Yellow Rocks!! I want mine!

We dance starting with pre-rounds at 7:00. We eat at 7:30 and start square dancing from 8:00 until 10:00. Join us for fun and fellowship. we look forward to see y'all!

## HEBER SPRINGERS

## Rose Bud

Greetings from the Heber Springers. I guess everyone has their garden planted by now. It is time to start eyeing the tomato and pepper plants. It is also time to check out the lawnmower and to rake a few leaves. All kinds of things to do outside this time of the year.

It has been a long time since dancing has been as good as it is now in Rose Bud. Thanks to some special visitors like Jerry and Jenny Short and a group of folks from Judsonia. They have really been faithful in helping this club survive.

We had a nice little dance back in February for Valentine's Day. Theresa Holly found time to decorate the hall. There was loads of good Valentine treats.

On February 26th we had a special treat as Chuck Hastings and part of his family visited the club. He will be calling for this club May 27<sup>th</sup>. Teresa got him to call a couple numbers. He still looks good except for the grey whiskers.

The spring lessons began on Friday 26<sup>th</sup>. We have several students but could use some more. The lessons start at 6:30 on regular dance nights. Come and visit us, you will be surprised the way Ron Wise is sounding.

## LEVIS & LACE

Happy Spring to everyone! I hope everyone had a blessed Easter.

We have had a busy few weeks. Our graduation was a happy occasion. Everyone danced & laughed. Square dancing is just so much fun! We have three new club members. Marsha Sargent, Jim Webb & Dianne Woepfel are the newest members of our club. We had a lot of fun in lessons & we look forward to squaring up with them every dance

night. Philip & Naaman Moorehouse, Harry Atchley & Lee Conner came from Maverick Mixers to help us celebrate. They sure added a lot. Phil can dance a very savvy girl's part. He is multi-talented for sure.

Our dance last night (March 4th) was a blast. We had as many as 4 squares on the floor at one time. We love that! Bud & Judy Cude came to support their friends,( Jim & Dianne), Kenneth & Cheryl White, Bob & Judy Mullins, Bob Robertson, Ron Wise & Kathy Tankersley, Bill & Roana Petrie rounded out the visitor list. Of course, we enjoyed each & everyone that was there. The Pogues brought their precious family. We enjoy dancing with each & everyone. Bailey Blackshear called a tip, as did Scott Blackshear & Ron Wise. We absolutely loved it! Of course, Gene did his usual bang up job. We are a blessed club! Thank you to all our visitors & our members. You are all special to us.

Our Maypole dance is May 13th. We are planning a great dance & a fun time. Of course, we will feed you well, too. We are so sorry that it is the same night as the Heber Springer's Anniversary Dance. This was the only date we could have it, and we had decided on it before we were aware of their dance. (our fault) I wish we could all go to each other's dances & specials. Ron, we promise we are gonna visit soon! We love dancing with you & Kathy so much.

May 13th will be our ASSDF Subscription dance, too.

Most of our club is planning on going to the Maverick Mixer's Roadkill Chili dance. Also, going to the Twirling Lariat's special with Dave Towry & Tim Tyl.

I hope I didn't miss any April occasions. If I did, please tell me, & we will make sure you get plenty of belated yellow rocks.

Please come & dance with us. We love to have you! You might call ahead. Occasionally we have to cancel if there is a church function that conflicts. But, most of the time we are here ready for you!

## MAVERICK MIXERS

## Little Rock

The Maverick Mixers have been so blessed to have such wonderful dances! We have had visitors from the Star Steppers, Blue Belles & Beaus, the Heber Springers, Twirling Lariats, Levis and Lace and Diamond Squares. We want to tell you how much we enjoy having you dance with us.

Several clubs in the area have also graduated some new dancers.

CONGRATULATIONS!!! The best advice my caller, Joe Borengasser, gave me when I graduated from beginner square dance lessons was to go dance in as many places as I could and dance to as many callers as I could. That was true then and it's still true today. Please let your new dancers know they are always welcome at the Maverick Mixers.

We have been enjoying the “bonus” calls by Carolyn Quinney Birdsong, Scott Blackshear, Gordon White and Ron Wise. Carolyn is expecting to have her caller's license within a few short weeks.

Our Sweetheart dance was fantastic! We had seven squares! Our king and queen this year are Ted Keeney and Lueen Skipper. Carolyn Cullins won a “sweetheart clock” door prize. Everyone looked great in red and white!

We hope you had a chance to attend our annual Road Kill Chili Supper and Square Dance on March 12. Highlights will be published next month.

Remember that the Maverick Mixer's will save a place for you in a square. We dance on the 2<sup>nd</sup>, 4<sup>th</sup> and 5<sup>th</sup> Saturday nights each month. Phil Moorehouse always has something new for the workshop at 7:00. Square dancing and line dancing start at 7:30.

Well, that's all for now. Remember to thank your partner, your corner, your square and your caller! We hope to see you soon!

## **STAR STEPPERS**

**Pine Bluff**

Hello Square Dancers,

How are you doing? Are you dancing a lot in our “cold weather”? We have had some very good dances lately--due to our great caller--Phil Moorehouse. We do some amazing things in our squares--triple scoot, for example! Since we don't even know A-3, we girls did it perfect! We took Phil by surprise, and it took him a few seconds to realize what we had done and how to fix it. We keep him alert! At least he had a name to it! We were proud of ourselves--even if we didn't know what we were doing! Always fun around us when we dance.

We are so enjoying some special couples that have come to visit and dance with us. First, we had Stan and Kay Bates from Dewitt, Iowa. They were staying in Hot Springs on vacation, went to some other dances in Little Rock and our members asked them to come visit us and they did! They were so delightful and fun! We really showed them how ‘great’ we could dance. At least we weren't barefoot and pregnant! They were snowbirds but hoping to move to Arkansas when she retired next year. Their only problem was having to leave the next day--heading straight into a huge snowfall in their hometown. Hope that they made it okay.

We also had Roger and Lueen Skipper from Heber Springs, members of Ron Wise's club, the Heber Springers. They chose to celebrate their 6th month Anniversary dancing with us. They were great and a lot of

fun! Of course, we had to show them how ‘good’ we were. Ha! If we had known that they were coming, we would have baked a cake! But, the thought was so romantic, don’t you think?

Happy dancing to everyone. Come to dance with us and have fun learning all of our great steps that we do so perfectly wrong. Now, that’s fun!

Happy Dancing!

*Roana Petrie*

### Sixty Swingers Feb. 18, 2016

There's nothing Advanced or Challenging about it. In fact, it's very Basic, right out of the Mainstream of life, giving the recipient a real Plus. What is it?? A yellowrock hug...and that's no April Fool!!

Spring has sprung, and nothing like the recent time change to help put some "spring in your step", plus dancing fun calls from years ago. Our own Ron Wise did a figure he called "Triple Allemande" at a recent dance; but it hit this Reporter afterwards that the figure he was working was likely from the singing call that Jerry McKissack did years ago, called "Sugar Coated". There are so many square dance memories over the years, and more new ones are made every day.

Speaking of "spring in your step", some of our members plan to attend the Lily Pad dance in Conway early next month, with Philip Moorehouse calling, and Cathy Fisher cueing. Thanks to the Conway Rounders for letting the ASSDF use their dance hall for its delegates meeting before their dance. It's at a different location than in past years. Since Toad Suck Daze is the weekend before, traffic through Conway shouldn't be as bad as it would be otherwise.

Harry Atchley has the monopoly on birthday yellowrocks for April. My apologies to anyone who I may have missed.

Carolyn Birdsong continues doing some singing calls at our dances, and she plans to eventually get into calling. She has such a beautiful voice, and as she puts it, she's continuing the memory and legacy of the late Bill Strawn. We also appreciate her showing us how to do various line dance figures.

Snow has fallen in Little Rock on April 19 on at least 2 occasions, but winter should be done with. However, that can lead to a stormy spring. Our thoughts are with those affected by the weather. Please contact Jerry and Ginny Short at 501-888-8013 for any last minute changes. Thanks to Ginny for keeping me in the loop on club news and to Jerry for fixing up a replacement badge that I had to order.

We appreciate Chuck and Pat Veregge visiting us at recent dance, and would love to have you join other visitors, and our members each Thursday from 2pm to 4pm at The Centre at University Park, at 6401 West 12<sup>th</sup> Street in Little Rock...see our ad in this issue.

*Daryl Stout*

**TWIRLING LARIATS****Little Rock**

Spring has sprung! Arkansas has gorgeous springs! Makes me want to get my hands in dirt!

Yellow rocks go to our only birthday baby, Harry Atchley (3rd), and anniversary couple Victor & Mary Green (23rd)!

Wonderful graduation. One of the funniest things I've ever seen was Phil Moorehouse wearing a petticoat and really twirling sending it up high! He was a natural! Ted & Tonia Hofmeister did an awesome job putting it all together! We are so happy to have our new dancers! Welcome!

On our 5th Friday, April 29th, the *Twirling Lariats* are having a very special dance featuring Dave Towry & Tim Tyl. What a tremendous duo! At 6:00 there will be a sit down meal included with the dance ticket price. How awesome is that? This duo will knock our boots (& Mary Janes) off! See Carolyn Cullins for limited tickets available.

Please mark your calendars for May 27th. We will have an American Legion Hut benefit dance! More on the dance in the May *Modern Square* issue.

If you love hummers, don't wait to hang up a hummer feeder! Heat 1 cup of water, add 1/4 cup of sugar, bring to simmer and turn off. Cool. Pour only half of mixture in feeder and store the other half in frig for use in 4 days.

It's a three dance night month! The 1st, 15th & 29th! A new plus lessons series has started and will be 6:30 to 7:30 the 1st & 15th but NOT on the 29th. Hope to see ya'll across a square real soon!
